History of Vessel / Maintenance

Boat Safety Certificate	2022
Recent Survey	Dec 2017
Latest Hull blacking	Dec 2017
Anodes	Dec 2017

Boat Layout Description

Externally - Starting with the body of the boat the paint work is bright and clean with no sign of degradation, seals on the windows all sound, roof clean and smooth with no pitting around the mushroom vents. There is 2 x 13kg gas locker at the front with plenty of storage on the large bow deck.

General Internal - The cabins are well maintained and fitted with Panama pine style T&G giving a rich colour and solid feel with nice details on the centre console. The curtains are very clean with all brass fixtures well polished. The flooring has recently been sanded and re oiled and gives a nice contrast throughout the boat.

Engine Room- At the stern Total Eclipse is powered by a Beta Marina BU1505 35Hp engine which has been regularly maintained and serviced. The bilge is very clean and dry with no signs of oil. The room itself is compact but with clever removable engine surrounds maintenance is a breeze. The space includes 2 porthole windows giving you ample light.

Bedroom - Stepping down into the large spacious bedroom you will find a double bed with storage below. There is also a free standing drawer unit and built in cupboard space. All of this combine gives you plenty of room to store away everything you need for your time aboard.

Bathroom - The bathroom space has been very well thought through utilizing the full width of the boat the doors at each end close to give an area big enough for 2. Here you will find a tiled shower with curtain, Thetford cassette toilet, and built in sink unit and ceramic sink.

Total Eclipse - 52' Traditional Stern

Galley - The next space is the galley which includes a free standing LPG Gas cooker and 4 ring hob, a 12v fridge, stainless steel sink, wine rack, 4 full sized kitchen cupboards, microwave and externally opening hatch on the port side. The galley has an open plan feel and nicely blends with the saloon.

Saloon - The saloon provides a large L-Shape sofa big enough for 6 to sit comfortably. The sofa can be used as a dining table then at the end of the evening converts into a comfortable 2 berth bed. Underneath there is more storage. Towards the bow on the starboard side there is a very clean and well-kept Morso Squirrel Stove. On the Port side there is a built in shelving unit housing the Sky TV receiver and TV/DVD player (DVD player is currently not working)

Additional features - Webasto diesel fired heater, Hot and Cold water, 12 volt and 230 volts electrics, 12 volts lighting. VuCube TV/Satellite TV finder.
