## Annabelle

2008 57' Cruiser Stern

CRT Index - TBC

£48,950 ono

Annabelle is a 2008 57' Cruiser style 4 berth boat with a Liverpool Hull and Fit out. The fit out inside is in great order and well looked after, with a light airy feel and bags of storage and living space. Annabelle is powered by an Isuzu 42hp engine and also includes a Vetus 55kgf bow thruster.

## Boat Layout Description

**Externally** – Annabelle external paintwork is in good order with no major rust spots on the shell. There is a pram hood for the stern and cratch cover in place made by Kinver Canopies and in decent order.

**General Internal** – The cabin has been fitted throughout with varnished oak veneer and trims with oak style flooring. The soft furnishing, cushions and curtains are well kept, clean and stain free.

**Engine Room-** At the stern Annabelle has a large stern deck with a pram cover (currently folded back). In the engine bay you will find the Isuzu 42hp engine, batteries and the Webasto Diesel heater.

**Bedroom** – Stepping down into the boat you enter the bedroom space and notice straight away the vast amount of storage. There is cupboard space port and starboard coming down the stairs, a small mirrored dressing table type space, storage under the stairs (including a safe), drawers under the bed and overhead cupboards over the bed. Under the dressing table space there is a 2.5kg washing machine which will work off the Dometic travel pack.

**Shower room** – The shower room is stylishly finished. The space includes a quadrant shower cubicle with shower paneling. There is a glass sink bowl with a mirror wall. There is an extractor fan fitted also. The toilet is a Vetus pump out. The shower room again has the right amount of storage and a heated towel rail.

**Galley** – The galley is large making the most of the space available. The worktop is a black granite composite and within sits the stainless steel sink and mixer tap unit. There is an inline carbon filter for drinking water. There is a small Shoreline 12v fridge, Spinflo Midi prima stainless steel LPG built in oven and Spinflo 4 burner counter hob. The storage space again is ample with a wine rack, pull out spice drawer and loads of cupboard space. In the galley you will also find the side hatch.

**Saloon** – The again is a big open space. There is a L-Shaped sofa which can fit 6 down comfortably or can be used as a dining table. In the evening the sofa can be made into a large 2 berth bed and again loads of storage beneath. On the portside there is a built in cupboard unit for books and other bits and pieces. Inlaid in the stereo and the TV sits comfortably on top. Starboard side is a Clarke barrel solid fuel stove which will pump out loads of space.

## Engine Specification

|                      |                                  |
|----------------------|----------------------------------|
| Engine Make          | Isuzu 42hp                       |
