Boat Layout Description

Bohawi is a very well kept boat. Externally the paint work is in good order with very little signs of rust. Inside the boat has been fitted throughout with light oak paneling trims finished with a varnish all in good order. The boat is served by a Webasto Diesel heater and 4 radiators. The soft furnishing match throughout the boat all are in good order, clean and tidy. This boat is packed full of storage yet remains open and light giving a very comfortable living space.

Foredeck - The foredeck is a good size and can easy seat 4 people, the cratch cover has double zips with windows in the forward-facing frame. There are 2 side deck lockers, 1 bow thruster locker and also access to the stainless-steel water tank

Saloon - Stepping down from the foredeck into the saloon you will find a light, spacious and comfortable area with built storage units port and starboard. The one on the port side is a corner unit extended to a slim depth cupboard. On the starboard side a corner unit which holds the TV and Radio/CD player. The starboard cupboard also has a water tank meter. The saloon has a large double radiator with shelf above, a comfortable 2 seater sofa and a single seater in the corner towards the galley.

Galley - The galley itself flows nicely from the saloon with the prep and cooker area port side and stainless-steel sink/cleaning area on the starboard and is flooded with light from the windows and overhead Houdini hatch. The galley has a Vanette LPG oven with a separate hob inlaid to the kitchen worktop. Further aft there is a 12v Shoreline fridge with icebox. Still on the port side under the worksurface is plenty of cupboard space for all of you pots and pans. Under the sink on the starboard side there is yet more cupboard space as well as the addition of 4 drawers.

BOHAWI - 58' Traditional Stern

Another nice feature is the pull-out storage rack hidden away inside the bulk head between the galley and dinette, this will hold many items such tin goods.

Dinette - The 4-seater dinette has been nicely furnished along with the rest of the boat. With the addition of the Swan hatch this really is a pleasant area to sit and enjoy mealtimes. With the option of a clear hatch cover you can enjoy the light even when cold and raining. The dinette will easily convert into a further 2 berths and provides a huge amount of storage space underneath.

Bathroom - The bathroom is served by a 48" shallow bath with shower overhead. The bath surrounds is finished in mutlipanel giving you a hassle and maintenance free bathroom. The sink is a modern frosted glass bowl fitted on the portside with pump out toilet fitted by the door. The bathroom also has the toilet tank level meter.

Bedroom - The bedroom space is packed with storage space without comprising the bed or the flow of the boat. A fixed 4' bed is in place as well as a 4' full height wardrobe which includes both hanging and shelf space, also bolted to the floor is safe. On the starboard side there is a further storage that doubles up as dressing table. There is also some storage under the bed and a shelf over the headboard.

Boatmans Cabin - This small but practical space has access to the Barrus Shire 45Hp engine, bank of domestic batteries, diesel heater and switch gear. Yet there are 2 small storage cupboards from your cruising gear, space to put your muddy boots and also includes fittings for washing machine should you choose to include one.
