Boat Safety Certificate	2022
Recent Survey	N/A
Latest Hull blacking	2017
Anodes	2017

Boat Description

Heron is a sweet little boat that has been loving cared for by its current owners who have used for holidays since 2005. Outside the boat has been looked after and nicely up together. Inside Heron has been finished with Oak veneer and solid oak trims.

Starting in the cabin at the bow you step down through glazed solid wood doors straight into the saloon. On the starboard side there is a solid fuel stove and port side a storage cupboard. The saloon also has a large straight built in sofa which doubles as a spacious 2 berths and also provides a large storage area underneath.

Moving into the L shaped galley on the portside you will find all the cupboard space, stainless steel sink, built under Electrolux fridge and a Nelson single oven and grill. On the starboard side is another set of cupboard for your crookery and glassware. The hot water for the boat is from a Riannai LPG water bolier which is wall mounted.

The bathroom has been fitted with a small tub bath with mixer taps. There are fixtures for a shower head which can easily be fitted to this setup. There is a also a ceramic sink on the portside wall and a portti potti to one side.

The bedroom space has a good sixe double, again with loads of storage space underneath. On the aft wall there is a single wall mounted cupboard, with small shelving to one side.

The engine bay is next and is clean and tidy. The vetus engine is again clean and tidy and free from grease and oil with the bilge nice and dry.

Engine Specification

Engine Make	Mitsubishi KD3
Engine Hours	Not Recorded
