Boat Description

Bobby Dazzler, 45ft Traditional Stern Narrowboat (1996, John White) - A heartfelt project ready for the right hands

Meet *Bobby Dazzler*, a 45ft traditional stern narrowboat with enormous potential. Built in 1996 by respected boatbuilder John White, she's a vessel with charm, character, and a story to continue.

Lovingly owned for many years, *Bobby Dazzler* was a well-used and well-loved narrowboat. Her most recent owner had begun a restoration project, aiming to bring her back to full glory — a project sadly left unfinished due to his passing. Now, with the blessing of the family, she's ready to be passed on to someone who will complete that vision, breathe new life into her spaces, and care for her as she deserves.

The Boat – Practical & Full of Promise:

- **Hull & Builder:** 45ft steel narrowboat, built by John White (1996)
- **Engine:** FOCS with 3125 hours on the clock
- **Stern:** Traditional style with solid lines and timeless design
- **Layout:**
 - **Forward Saloon:** Bright space with stove plenty of space seating, ready to be refreshed

Booby Dazzler – 45' Trad Stern

- **Galley:** Centrally located with vanette appliances and good natural light via side hatch
- **Bathroom:** Bath/shower, vanity, and cassette toilet – ready to be modernize
- **Aft Cabin:** Fixed double berth and wardrobe; quiet and private, with large side windows
- **Electrical:** 1800W inverter, and a set of domestic & starter batteries
- **Extras:** Eberspacer diesel heater, 12V fridge, charger, and hot water system
- **Boat Safety Certificate:** Valid until August 2023

A Mid-Project Opportunity with Heart

This is not a fully polished vessel – *Bobby Dazzler* is mid-transition, with some interior elements part-finished and others awaiting inspiration and enregy. But her core is solid, and the groundwork is there. She's ideal for someone looking to take on a meaningful, manageable boat project – perhaps a liveaboard dreamer, weekend cruiser, or restoration enthusiast.

Engine Specification

Engine Make	FOCS
