Boat Description

Llantina is a lovely little vessel with plenty of charm and character.

The internal space is open and light with bench seating in both the forward and aft cabins. Each of these bench seats can be easily converted into double beds as required. The upholstery in the cabins is in good shape and adds to the character of the boat.

In the center of the cabin on the port side is a functional little galley with a classic Flavel oven and hob unit accompanied by a stainless-steel sink/drainage with mixer tap.

In the center again but on the starboard side this time, you find the loo, shower tap attachment and wood burning stove. To the aft of this section is a little fridge which is of ample size for cruising the waterways.

For a smaller boat Llantina certainly have plenty of storage options, with shelves, cupboards throughout.

Overall, a nice little boat with a comfortable feeling.
